The Developer, during the time it is in control of the Board of Directors of the Association, may amend the Declaration, the Articles or the By-Laws of the Association to correct an omission or error, or effect any other amendment, except that this procedure for amendment cannot be used if such an amendment would, in the reasonable opinion of the Developer, materially adversely affect substantial property rights of Unit Owners, unless the affected Unit Owners consent in writing. subsequently rescinded.

§6.3 Execution and Recording. An amendment, other than amendments made by the Developer alone pursuant to the Act or this Declaration, shall be evidenced by a certificate of the Association which shall include recording date identifying the Declaration and shall be executed in the form required for the execution of a Deed. Amendments by the Developer must be evidenced in writing, but a certificate of the Association is not required. An amendment of the Declaration is effective when properly recorded in the Public Records of the County.

§6.4 Procedure. No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of this Declaration shall contain the full text of the provision to be amended; new words shall be inserted in the text underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of declaration. See provision for present text". Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

§6.5 Proviso. Unless otherwise provided specifically to the contrary in this Declaration, no amendment shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to any Unit, or change the percentage by which the Owner of a Unit shares the Common Expenses and owns the Common Elements and Common Surplus, unless the record Owner(s) thereof and all record owners of mortgages or other liens thereon shall join in the execution of the amendment. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer or Institutional First Mortgagees or mortgagees of Units without the consent of said Developer or Institutional First Mortgagees or mortgagees in each instance, or shall an amendment make any change in the sections hereof entitled "Insurance", "Reconstruction or Repair after Casualty" or "Condemnation" unless all Institutional First Mortgagees whose mortgages are of record shall join in the amendment.

- \$7.3 Specific Unit Owner Responsibility.** The obligation to maintain and repair the following specific items shall be the responsibility of the Unit Owners, individually, and not the Association, without regard to whether such items are included within the boundaries of the Units, are Limited Common Elements or are Common Elements other than Limited Common Elements:

Where a Limited Common Element consists of a balcony or patio, the Unit Owner who has the right to the exclusive use of said balcony or patio shall be responsible for the maintenance, care and preservation of the paint and surface of the interior parapet walls, including floor and ceiling, within said area, if any, and the fixed and/or sliding glass door(s) in or other portions of the entrance way(s) of said area, if any, and the wiring, electrical outlet(s) and fixture(s) thereon, if any, and the replacement of light bulbs, if any.

- \$7.4 Developer's Lien.** In the event the Association fails to maintain, replace or repair as herein provided, upon thirty (30) days notice to the Association, the Developer or its designee shall have the right, without being obligated to do so, to enter upon the Condominium Property and cause said maintenance, replacement, or repair to be made, and in such event, the Developer shall have a lien upon the Condominium Property, including all Units therein, for the costs thereof, including, without limitation, interest, court costs and reasonable attorneys' fees and appellate attorneys' fees incurred by the Developer in collecting the sums expended by it. The aforesaid lien may be foreclosed in the same manner as mortgages or statutory liens are foreclosed in Florida. In the event of an emergency situation, threatening the health and welfare of the residents, the Developer may immediately enter upon the Condominium Property and cause such maintenance replacements or repairs to be made forthwith and without the requirement of any prior notice thereof, and the Developer shall have an enforceable lien upon the Condominium Property as aforesaid.

- \$7.5 Association's Lien.** In the event any Unit Owner shall fail to maintain, replace and repair as herein provided, the Association, upon thirty (30) days written notice, shall have the right, without being obligated to do so, to enter upon the Unit and cause said maintenance, replacement or repair to be made, and in such event the Association shall have a lien upon the Condominium Parcel for the costs thereof including, without limitation, interest, court costs and reasonable attorneys' fees and appellate attorneys' fees incurred by the Association in collecting the sums expended by it. The aforesaid lien may be foreclosed in the same manner as mortgages or statutory liens are foreclosed in Florida.

- \$7.6 Miscellaneous.** All work performed on the Condominium Property or any portion thereof shall be in compliance with all applicable governmental building and zoning requirements.

- 8. Additions, Alterations or Improvements by the Association.** Whenever, in the judgment of the Board of Directors, the Common Elements or any part thereof shall require capital additions, alterations or improvements (as distinguished from repairs and replacements) costing in excess of Ten Thousand Dollars (\$10,000.00) in the aggregate in any calendar year, the Association may proceed with such additions,

Any such additions, alterations, or improvements to such Common Elements or any part thereof costing in the aggregate of Ten Thousand Dollars (\$10,000.00) or less in a calendar year may be made by the Association without approval of the Unit Owners. The cost and expense of any such additions, alterations or improvements to such Common Elements shall constitute a part of the Common Expenses and shall be assessed to the Unit Owners as Common Expenses.

9. Additions, Alterations or Improvements by Unit Owners.

§9.1 Consent of the Board of Directors. No Unit Owner shall make any addition, alteration or improvement in or to the Common Elements, his Unit or any Limited Common Elements without the prior written consent of the Board of Directors and/or the Architectural Control and Maintenance Standards Committee, if applicable. The Board shall have the obligation to answer any written request by a Unit Owner for approval of such an addition, alteration or improvement in such Unit Owner's Unit or Limited Common Elements within thirty (30) days after such request and all additional information requested is received, and the failure to do so within the stipulated time shall constitute the Board's consent. The proposed additions, alterations and improvements by the Unit Owners shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction and with any conditions imposed by the Association and/or the Architectural Control and Maintenance Standards Committee, if applicable, with respect to design, structural integrity, aesthetic appeal, construction details, lien protection or otherwise.

A Unit Owner making or causing to be made any such additions, alterations or improvements agrees, and shall be deemed to have agreed, for such Owner and his heirs, personal representatives, successors and assigns, as appropriate, to hold the Association, all other Unit Owners harmless from any liability of damage to the Condominium Property and expenses arising therefrom, and shall be solely responsible for the maintenance, repair and insurance from and after that date of installation or construction thereof as may be required by the Association. In making the above alterations, additions and improvements, the Developer may relocate and alter Common Elements adjacent to such Units provided that such relocation and alteration does not materially adversely affect the market value or ordinary use of Units owned by Unit Owners other than the Developer. Any amendments to this Declaration required by actions taken pursuant to this Section 10 may be effected by the Developer alone. The powers and duties of the Association shall include those set forth in the Articles and By-Laws of the Association (respectively, Exhibits 4 and 5 annexed hereto), as amended from time to time. In addition, the Association shall have all the powers and duties set forth in the Act, as well as all powers and duties granted to or imposed upon it by this Declaration, including, without limitation:

- (a) The irrevocable right to have access to each Unit from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of any Common Elements therein or at any time and by force, if necessary for making emergency repairs therein necessary to prevent damage to the Common Elements or to any other Unit or Units or to determine compliance with the terms and provisions of this Declaration, the Exhibits annexed hereto, and the rules and regulations adopted pursuant to such documents, as the same may be amended from time to time.

The Association shall, however, retain at all times the powers and duties granted by the Condominium Documents and the Act, including but not limited to the making of

Assessments, Special Assessments, promulgation of rules and execution of contracts on behalf of the Association.

- (e) The power to borrow money, execute promissory notes and other evidences of indebtedness and to give as security therefor mortgages and security interests in property owned by the Association, provided that such actions are approved by a majority of the entire membership of the Board of Directors and a majority of the voting interests of the Unit Owners represented at a meeting at which a quorum has been attained, or by such greater percentage of the Board or voting interests of the Unit Owners as may be specified in the By-Laws with respect to certain borrowing.
- (f) Subsequent to the recording of this Declaration, the Association, when authorized by a majority of the voting interests of the Units represented at a meeting at which a quorum has been attained, shall have the power to acquire and enter into agreements for the acquisition of fee interests, leaseholds, memberships and other possessory or use interests in lands or facilities, including, but not limited to, country clubs, golf courses, marinas and other recreational facilities, whether or not contiguous to the lands of the Condominium intended to provide for the use or benefit of the Unit Owners (whether or not on an exclusive basis). The expenses of ownership (including the expense of making and carrying any mortgage related to such ownership), rental, membership fees, operation, replacements and other expenses and undertakings in connection therewith shall be Common Expenses. - (g) The power to adopt and amend the rules and regulations covering the details of the operation and use of the Condominium Property.
- (h) The power to levy reasonable fines against a Unit for failure of the Owner or its occupant, licensee or invitee to comply with any provision of this Declaration, the By-Laws or the rules and regulations.

In the event of conflict between the powers and duties of the Association or otherwise, the Declaration shall take precedence over the Articles, By-Laws and applicable rules and regulations; the Articles shall take precedence over the By-Laws and applicable rules and regulations; and the By-Laws shall take precedence over applicable rules and regulations, all as amended from time to time.

§11.1 Limitation Upon Liability of Association.

Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair caused by any latent condition of the Condominium Property.

§11.2 Restraint Upon Assignment of Shares in Assets. The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.

§11.3 Approval or Disapproval of Matters. Whenever the decision of a Unit Owner is required upon any matter, whether or not

the subject of an Association meeting, that decision shall be expressed by the same person who would cast the vote for the Unit if at an Association meeting, unless the joinder of record Owners is specifically required by the Declaration or by law.

§11.4 Acts of the Association. Unless the approval or action of Unit Owners and/or a certain specific percentage of the Board of Directors of the Association is specifically required in this Declaration, the Articles or By-Laws of the Association, applicable rules and regulations or applicable law, all approvals or actions required or permitted to be given or taken by the Association shall be given or taken by the Board of Directors, without the consent of Unit Owners, and the Board may so approve and act through the proper officers of the Association without a specific resolution. When an approval or action of the Association is permitted to be given or taken hereunder or thereunder, such action or approval may be conditioned in any manner the Association deems appropriate or the Association may refuse to take or give such action or approval without the necessity of establishing the reasonableness of such conditions or refusal.

12. Determination of the Common Expenses and Fixing of Assessments Therefor. The Board of Directors shall from time to time, and at least annually, prepare a budget for the Condominium, determine the amount of Assessments payable by the Unit Owners to meet the Common Expenses of the Condominium, and allocate and assess such expenses among the Unit Owners in accordance with the provisions of this Declaration and the By-Laws. The Board of Directors shall advise all Unit Owners promptly in writing of the amount of the Assessment payable by each of them as determined by the Board of Directors as aforesaid and shall furnish copies of each budget, on which such Assessments are based, to all Unit Owners and (if requested in writing) to their respective mortgagees. The Common Expenses shall include the expenses of the operation, maintenance, repair and replacement of the Common Elements and other commonly used facilities and services, Special Assessments levied against all of the Units of the Condominium and any other expenses designated as Common Expenses by the Act, this Declaration, the Articles or By-Laws of the Association, applicable rules and regulations, or by the Association. Except as otherwise provided by law, any reserve funds may be used as the board shall determine from time to time and need not be restricted to replacements or otherwise. Any budget adopted shall be subject to change to cover actual expenses at any time. Any such change shall be adopted consistent with the provisions of the By-Laws. Additionally, the charges for cable television services and auxiliary services, if any, to be provided to all of the Units of the Condominium, shall be deemed to be a Common Expense. The Board of Directors in determining the amount of the Assessments payable by the Unit Owners shall be authorized to include such charges in the estimated operating budget for the Condominium. Accordingly, the provisions contained in Section 13 of this Declaration with respect to the collection of Assessments shall be applicable to the charges for cable television services and auxiliary services.

13. Collection of Assessments and Special Assessments.

§13.1 Liability for Assessments and Special Assessments. A Unit Owner, regardless of how title is acquired, including a purchaser at a judicial sale, shall be liable for all Assessments and Special Assessments coming due while he is the Unit Owner. Except as provided for in Section 13.5, the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments and Special Assessments against the grantor for his share of the Common Expenses up to the time of transfer of title, without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee. The liability for Assessments and Special Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments and Special Assessments are made or otherwise.

§13.2 Default in Payment of Assessments or Special Assessments for Common Expenses. Assessments, Special Assessments and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at the highest rate allowable by law from the due date until paid. The Association has a lien on each Condominium Parcel for any unpaid Assessments and Special Assessments on such Parcel, with interest and for reasonable attorney's fees and costs incurred by the Association incident to the collection of the Assessments and Special Assessments or enforcement of the lien. The lien is effective from and after recording a claim of lien in the Public Records of the County, stating the description of the Condominium Parcel, the name of the record Owner, the amount due and the due dates. No such lien shall continue for a longer period than one year after the claim of lien has been recorded, unless within that time an action to enforce the lien is commenced in a court of competent jurisdiction. The claim of lien shall secure all unpaid Assessments, Special Assessments, interest, costs, and attorney's fees which are due and which may accrue subsequent to the recording of the claim of lien and prior to entry of a final judgment of foreclosure. A claim of lien shall be signed and acknowledged by an officer or agent of the Association. Upon payment the person making the payment is entitled to a satisfaction of the lien. The Association may bring an action in its name to foreclose a lien for unpaid Assessments and Special Assessments in the manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments and Special Assessments without waiving any claim of lien.

§13.3 Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments and Special Assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments and Special Assessments, including those coming due after the claim of lien is recorded, and other sums permitted hereunder are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the last known address, and upon such mailing, the notice shall be deemed to have been given and the court shall proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit the Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this subsection are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act and shall not apply if an action to foreclose a mortgage on the Unit is pending before any court if the Association's rights would be affected by such foreclosure, and if actual, constructive or substitute service of process has been made on the Unit Owner.

§13.4 Appointment of Receiver to Collect Rental. If the Unit Owner remains in possession of the Unit and the claim of lien is foreclosed, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit and the Association is entitled to the appointment of a receiver to collect the rent.

§13.5 Institutional First Mortgagee. In the event an Institutional First Mortgagee shall obtain title to the Condominium Parcel by a purchase at the public sale resulting from the Institutional First Mortgagee's foreclosure judgment in a foreclosure suit in which the Association has been properly named

as a defendant junior lien holder, or as a result of a deed given in lieu of foreclosure, such Institutional First Mortgagee, its successors and assigns, shall not be liable for the share of Common Expenses or Assessments or Special Assessments or other charges imposed by the Association attributable to such Condominium Parcel or chargeable to the former Unit Owner of such Condominium Parcel which became due prior to acquisition of title as a result of the foreclosure or the acceptance of such deed in lieu thereof, unless such share is secured by a claim of lien that is recorded prior to the recording of the foreclosed mortgage. Such unpaid share of Common Expenses or Assessments or Special Assessments or other charges shall be deemed to be Common Expenses, collectible from all of the Unit Owners, including such acquirer, and such acquirer's successors and assigns.

- \$13.6 Developer's Liability for Assessments.** (i) The Developer shall be excused from the payment of the share of the Common Expenses and Assessments relating to Units it is offering for sale until the earlier of either: (a) the date control of the Association is turned over to Unit Owners other than Developer or (b) twelve (12) months after the closing of the purchase and sale of the first Unit, (the "Guaranty Expiration Date"). The Developer shall not be obligated to pay the share of the Common Expenses and Assessments attributable to Units it is offering for sale, provided that the regular monthly Assessments for Common Expenses imposed on each Unit Owner other than the Developer shall not increase during such period over the amount set opposite such Unit's designation (model type) in the Estimated Operating Budget for the Association contained in the Offering Circular (Prospectus) delivered to such Unit Owner when such Owner contracted to purchase the Unit, if applicable; and provided further that the Developer shall be obligated to pay any amount of Common Expenses actually incurred during such period and not produced by the Assessments at the guaranteed level receivable from Unit Owners.
- (ii) No funds receivable from Unit purchasers or Owners payable to the Association or collected by the Developer on behalf of the Association other than regular periodic Assessments for Common Expenses as provided in this Declaration and disclosed in the Estimated Operating Budget contained in the Offering Circular (Prospectus) delivered to such Unit purchaser or Owner when such Unit purchaser or Owner contracted to purchase the Unit, if applicable, shall be used for payment of Common Expenses prior to the Guaranty Expiration Date. This restriction shall apply to funds including, but not limited to, capital contributions or start-up funds collected from Unit purchasers at closing.
- \$13.7 Possession of Unit.** Any person who acquires an interest in a Unit, except Institutional First Mortgagees through foreclosure or a first mortgage of record (or deed in lieu thereof), including, without limitation, persons acquiring title by operation of law, shall not be entitled to occupancy of the Unit or enjoyment of the Common Elements until such time as all unpaid Assessments and Special Assessments and other charges due and owing by the former Owner, if any, have been paid.
- \$13.8 Certificate of Unpaid Assessments.** The Association shall provide a certificate stating all Assessments, Special Assessments and other moneys owed to the Association by the Unit Owner with respect to the Condominium Parcel, within 15 days after request by a Unit Owner or Institutional First Mortgagee.
- \$13.9 Installments.** Assessments or Special Assessments may be collected monthly or quarterly in advance, at the option of the Association, from time to time.
- \$13.10 Special Assessments.** The specific purpose or purposes of any Special Assessment approved in accordance with this Declaration,

Articles, or By-Laws shall be set forth in a written notice of such Special Assessment sent or delivered to each Unit Owner. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in such notice, or returned to the Unit Owners. However, upon completion of such specific purpose or purposes, any excess funds shall be considered Common Surplus.

14. Insurance. Insurance covering portions of the Condominium Property shall be governed by the following provisions:

§14.1 Purchase, Custody and Payment.

- (a) Purchase. All insurance policies described herein covering portions of the Condominium Property shall be purchased by the Association and shall be issued by an insurance company authorized to do business in Florida.
- (b) Approval. Each insurance policy, the agency and company issuing the policy and the Insurance Trustee (if appointed) hereinafter described, shall be subject to the approval of the Primary Institutional First Mortgagee in the first instance.

- (e) Copies to Mortgagees. The copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by the Association upon request to each Institutional First Mortgagee who holds a mortgage upon a Unit covered by the policy. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.
- (f) Personal Property and Liability. Unit Owners may obtain insurance coverage at their own expense and at their own discretion upon the property lying within the boundaries of their Unit, including, but not limited to, their personal property and for their personal liability and living expense and for any other risks.

§14.2 Coverage. The Association shall maintain insurance covering the following:

- (a) Casualty. The Building (including all fixtures, installations or additions comprising that part of the Building within the boundaries of the Units initially installed, or replacements thereof, of like kind or quality in accordance with the original plans and specifications therefor, or as existed at the time the Unit was initially conveyed if the original plans and specifications are not available, but excluding floor coverings, wall coverings and ceiling coverings, all furniture, furnishings or other personal property owned, supplied or installed by

Unit Owners or tenants of Unit Owners) and all Improvements located on the Common Elements from time to time, together with all service machinery contained therein (collectively, the "Insured Property"), shall be insured in an amount not less than one hundred (100%) percent of the full insurable replacement value thereof, excluding foundation and excavation costs. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against:

- (i) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement; and
 - (ii) Such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

Comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such coverage as shall be required by the Board of Directors of the Association, but with combined single limit liability of not less than \$300,000 for each accident or occurrence, \$100,000 per person and \$50,000 property damage, and with a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and vice versa.

- (e) Fidelity Insurance covering all directors, officers and employees of the Association and managing agents who handle Association funds, if any.

§14.3 Additional Provisions. All policies of physical damage insurance shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days' prior written notice to all of the named insured, including all mortgagees of Units. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Board of Directors shall obtain an appraisal from a fire insurance company or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of

insurance to be effected pursuant to this Section.

S14.4 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the amount of increase in the premium occasioned by misuse, occupancy or abandonment of any one or more Units or their appurtenances or of the Common Elements by particular Unit Owners shall be assessed against and paid by such Owners. Premiums may be financed in such manner as the Board of Directors deems appropriate.

S14.5 Insurance Trustee; Share of Proceeds. All insurance policies obtained by the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Insurance Trustee which may be designated by the Board of Directors and which, if so appointed, shall be a bank or trust company in Florida with trust powers with its principal place of business in the County. The Insurance Trustee (if appointed) shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee (if appointed) shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but which shares need not be set forth on the records of the Insurance Trustee:

- (a) **Insured Property.** Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit Owner, such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit, provided that if the Insured Property so damaged includes property lying within the boundaries of specific Units, that portion of the proceeds allocable to such property shall be held as if that portion of the Insured Property were Optional Property as described in subparagraph (b) below.
- (b) **Optional Property.** Proceeds on account of damage solely to Units and/or certain options on all of the contents thereof not included in the Insured Property shall as determined by the Association in its sole discretion (collectively, the "Optional Property"), if any is collected by reason of optional insurance which the Association elects to carry thereon (as contemplated herein), shall be held for the benefit of Owners of Units or other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Owner, which cost and allocation shall be determined in the sole discretion of the Association.
- (c) **Mortgagees.** No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.

S14.6 Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee (if appointed) shall be distributed to or for the benefit of the beneficial Owners thereof in the following manner:

- (a) **Expenses of the Trust.** All expenses of the Insurance Trustee (if appointed) shall be first paid or provisions shall be made therefor.

- (b) Reconstruction or Repair. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their mortgagees being payable jointly to them.
- (c) Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Section 14.5 above, and distributed first to all Institutional First Mortgagees in an amount sufficient to pay off their mortgages, and the balance, if any, to the beneficial owners. This is a covenant for the benefit of any mortgagee of a Unit and may be enforced by the mortgagee.
- (d) Certificate. In making distribution to Unit Owners and their mortgagees, the Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution.

§14.7 Association as Agent. The Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

§14.8 Unit Owners Personal Coverage. Insurance policies issued to individual Unit Owners shall provide that the coverage afforded by such policies is excess over the amount recoverable under any other policy covering the same property without rights of subrogation against the Association. Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against an Owner due to accidents occurring within his Unit, nor casualty or theft loss to the contents of an Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Owner so desires, to purchase and pay for insurance as to all such other risks not covered by insurance carried by the Association.

§14.9 Benefit of Mortgagees. Certain provisions in this Section 14 entitled "Insurance" are for the benefit of mortgagees of Units and may be enforced by them.

§14.10 Insurance Trustee. The Board of Directors of the Association shall have the option in its discretion of appointing an Insurance Trustee hereunder. If the Association fails or elects not to appoint such Trustee, the Association will perform directly all obligations imposed upon such Trustee by this Declaration.

15. Reconstruction or Repair After Fire or Other Casualty.

§15.1 Determination to Reconstruct or Repair. In the event of damage to or destruction of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) as a result of fire or other casualty unless seventy-five (75%) percent or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is destroyed or substantially damaged and Unit Owners owning eighty (80%) percent or more of the applicable interests in the Common Elements elect to proceed with repairs or restoration and the Primary Institutional First

Mortgagee approves such election, the Board of Directors shall arrange for the prompt repair and restoration of the Insurance Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) and the Insurance Trustee (if appointed) shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. If seventy-five (75%) percent or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is substantially damaged or destroyed and if Unit Owners owning eighty (80%) percent of the applicable interests in the Common Elements duly and promptly resolve not to proceed with the repair or restoration thereof and the Primary Institutional First Mortgagee approves such resolution, the Condominium Property will not be repaired and shall be subject to an action for partition instituted by the Association, any Unit Owner, mortgagee or lienor, as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements with respect to proceeds held for damage to the Insured Property other than that portion of the Insured Property lying within the boundaries of the Unit, and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of the Association (with respect to proceeds held for damage to the Optional Property, if any, and/or that portion of the Insured Property lying within the boundaries of the Unit); provided, however, that no payment shall be made to a Unit Owner until there has first been paid out of his share of such fund all mortgages and liens on his Unit in the order or priority of such mortgages and liens. Whenever in this Section the words "promptly repair" are used, it shall mean that repairs are to begin not more than sixty (60) days from the date the Insurance Trustee (if appointed) notifies the Board of Directors and Unit Owners that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, nor not more than ninety (90) days after the Insurance Trustee (if appointed) notifies the Board of Directors and the Unit Owners that such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

- \$15.2 Plans and Specifications.** Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original improvements, or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association, and if the damaged property which is to be altered is the Building or the Optional Property, by the Owners of not less than eighty percent (80%) of the applicable interests in the Common Elements, as well as the Owners of all Units and other portions of the Optional Property (and their respective mortgagees) the plans for which are to be altered.
- \$15.3 Special Responsibility.** If the damage is only to those parts of the Optional Property for which the responsibility of maintenance and repair is that of the respective Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair (unless insurance proceeds are held by the Association with respect thereto by reason of the purchase of optional insurance thereon, in which case the Association shall have the responsibility to reconstruct and repair the damaged Optional Property, provided the respective Unit Owners shall be individually responsible for any amount by which the cost of such repair or reconstruction exceeds the insurance proceeds held for such repair or reconstruction on a Unit by Unit basis, as determined in the sole discretion of the Association). In all

other instances, the responsibility for all necessary reconstruction and repair shall be that of the Association.

\$15.4 Estimate of Costs. Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

\$15.5 Special Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs of reconstruction and repair are insufficient, Special Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Special Assessments on account of damage to the Insured Property shall be in proportion to all of the Owner's respective shares in the Common Elements, and on account of damage to the Optional Property, in proportion to the cost of repairing the damage suffered by each Owner thereof, as determined by the Association.

\$15.6 Construction Funds. The funds for payment of the costs of reconstruction and repair, which shall consist of proceeds of insurance held by the Insurance Trustee (if appointed) and funds collected by the Association from Special Assessments against Unit Owners, shall be disbursed in payment of such costs in the following manner:

- (a) **Association.** If the total Special Assessments made by the Association in order to provide funds for payment of the costs of reconstruction and repair which are the responsibility of the Association are more than Ten Thousand Dollars (\$10,000), then the sums paid upon such Special Assessments shall be deposited by the Association with the Insurance Trustee (if appointed). In all other cases, the Association shall hold the sums paid upon such Special Assessments and disburse the same in payment of the costs of reconstruction and repair.
- (b) **Disbursement.** The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:
 - (i) **Association - Lesser Damage.** If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than Fifty Thousand Dollars (\$50,000), then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon request to the Insurance Trustee (if appointed) by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.
 - (ii) **Association - Major Damage.** If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is more than Fifty Thousand Dollars (\$50,000), then the construction fund shall be disbursed in payment of such costs in the manner contemplated by subparagraph (i) above, but then only upon the further approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.

(iii) Unit Owners. If there is a balance of insurance proceeds after payment of all costs of reconstruction and repair that are the responsibility of the Association, this balance may be used by the Association to effect repairs to the Optional Property (if not insured or if under insured), or may be distributed to Owners of the Optional Property who have the responsibility for reconstruction and repair thereof. The distribution shall be in the proportion that the estimated cost of reconstruction and repair of such damage to each affected Unit Owners bears to the total of such estimated costs to all affected Unit Owners, as determined by the Board; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated costs of repair for his portion of the Optional Property. All proceeds must be used to effect repairs to the Optional Property, and if insufficient to complete such repairs, the Owners shall pay the deficit with respect to their portion of the Optional Property and promptly effect the repairs. Any balance remaining after such repairs have been effected shall be distributed to the affected Unit Owners and their mortgagees jointly as elsewhere herein contemplated.

(iv) Surplus. It shall be presumed that the first monies disbursed in payment of cost of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated, except, however, that part of a distribution to an Owner which is not in excess of Assessments paid by such Owner into the construction fund shall not be made payable to any mortgagee.

(v) Certificate. Notwithstanding the provisions herein, the Insurance Trustee (if appointed) shall not be required to determine whether or not sums paid by Unit Owners upon Special Assessments shall be deposited by the Association with the Insurance Trustee (if appointed), nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the Special Assessments paid by Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee (if appointed) may rely upon a certificate of the Association, made by its President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

§15.7 Benefit of Mortgagees. Certain provisions in this Section 15 are for the benefit of mortgagees of Units and may be enforced by any of them.

16. Condemnation.

§16.1 Deposit of Awards with Insurance Trustee. The taking of portions of the Condominium Property by the exercise of the power of eminent domain shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee (if appointed). Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee (if appointed); and in the event of failure to

do so, in the discretion of the Board of Directors of the Association, a Special Assessment shall be made against a defaulting Unit Owner in the amount of his award, or the amount of that award shall be set off against the sums hereafter made payable to that Owner.

§16.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain shall also be deemed to be a casualty.

§16.3 Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the awards and Special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and Special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee (if appointed) after a casualty, or as elsewhere in this Section 16 specifically provided.

§16.4 Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of the Association), the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

- (a) **Restoration of Unit.** The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be assessed against the Owner of the Unit.
- (b) **Distribution of Surplus.** The balance of the award in respect of the Unit, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittances being made payable jointly to the Owner and such mortgagees.
- (c) **Adjustment of Shares in Common Elements.** If the floor area of the Unit is reduced by the taking, the percentage representing the share in the Common Elements and of the Common Expenses and Common Surplus appurtenant to the Unit shall be reduced by multiplying the percentage of the applicable Unit prior to reduction by a fraction, the numerator of which shall be the area in square feet of the Unit after the taking and the denominator of which shall be the area in square feet of the Unit before the taking. The shares of all Unit Owners in the Common Elements, Common Expenses and Common Surplus shall then be restated as follows:
 - (i) add the total of all percentages of all Units after reduction as aforesaid (the "Remaining Percentage Balance"); and
 - (ii) divide each Percentage for each Unit after reduction as aforesaid by the Remaining Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

§16.5 Unit Made Uninhabitable. If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in

the sole opinion of the Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

- (a) Payment of Award. The awards shall be paid first to the applicable Institutional First Mortgagee in amounts sufficient to pay off their mortgages in connection with each Unit which is not so habitable; second, to the Association for any due and unpaid Assessments and Special Assessments; and third, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.
- (b) Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors of the Association; provided that if the cost of the work therefor shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.
- (c) Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This shall be effected by restating the shares of continuing Unit Owners as follows:
- (i) add the total of all percentages of all Units of continuing Owners prior to this adjustment, but after any adjustments made necessary by Section 16.4(c) hereof (the "Percentage Balance"); and
 - (ii) divide the percentage of each Unit of a continuing Owner prior to this adjustment, but after any adjustments made necessary by Section 16.4(c) hereof, by the Percentage Balance.
- The result of such division for each Unit shall be the adjusted percentage for such Unit.
- (d) Special Assessments. If the balance of the award (after payments to the Unit Owner and such Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Special Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium affected by the taking. The Special Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares affected pursuant hereto by reason of the taking.
- (e) Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within thirty (30) days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of

their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Unit Owners, including Owners who will not continue after the taking, in proportion to the applicable percentage shares of such owners as they exist prior to the adjustments to such shares affected pursuant hereto by reason of the taking.

§16.6 Taking of Common Elements. Awards for the taking of Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the Mortgagees of the Unit.

§16.7 Discretion of Board. In circumstances not covered by this Declaration or by law, a two-thirds (2/3) majority of the Board may, upon an opinion of counsel that its decision is reasonable, deal with the condemnation in such reasonable manner as it determines to be appropriate under the circumstances.

§16.8 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are affected by the taking shall be evidenced by an amendment to this Declaration that is only required to be approved by and executed upon the direction of a majority of all Directors of the Association.

17. Occupancy and Use Restrictions. In order to provide for congenial occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:

§17.1 Occupancy. Each Unit shall be used as a residence only, except as otherwise herein expressly provided. A Unit owned by an individual, corporation, partnership, trust or other fiduciary may only be occupied by the following persons, and such persons' families and guests: (i) the individual Unit Owner, (ii) an officer, director, stockholder or employee of such corporation, (iii) a partner or employee of such partnership, (iv) the fiduciary or beneficiary of such fiduciary, or (v) permitted occupants under an approved lease or sublease of the Unit (as described below), as the case may be.

Occupants of an approved lease or subleased Unit must be the following persons, and such persons' families and guests: (i) an individual lessee or sublessee, (ii) an officer, director, stockholder or employee of a corporate lessee or sublessee, or (iv) a fiduciary or beneficiary of a fiduciary lessee or sublessee.

Under no circumstances may more than one family reside in a Unit at one time. "Families" or words of similar import used herein shall be deemed to include spouses, parents, parents-in-law, brothers, sisters, children and grandchildren. In no event shall occupancy (except for temporary occupancy by visiting guests) exceed two (2) persons per bedroom. The Board of Directors shall have the power to authorize occupancy of a Unit by persons in addition to those set forth above. The provisions of this Section 17.1 shall not be applicable to Units used by the Developer for model apartments, sales offices, other offices or management

\$17.3 Pets. No pets shall be allowed in any Unit or the Common Elements except, each Unit shall be allowed to house one (1) dog or one (1) cat so long as said dog or cat weighs twenty-five (25) pounds or less when full grown. Each Unit may also house domestic birds or fish. Pets shall be kept within a Unit and not be permitted on any portion of the Condominium Property except when adequately secured and restrained by a leash, where applicable, and all such pets shall be walked in such areas designated by the Association so as to control the deposit of animal waste on the Condominium Property. No guests or invitees of an Owner shall be permitted to bring animals of any kind on the Condominium Property. No animals shall be allowed to commit a nuisance in any public portion of the Condominium Property. The term "pet" shall be limited to a dog, cat, fish or small domestic birds. Dogs may not be kept in Limited Common Elements when the Owner is not in the Unit.

Each Unit Owner owning a pet shall assume full responsibility for personal injuries or property damage caused by his pet, and each Unit Owner hereby agrees to indemnify the Association and all other Unit Owners and hold them harmless against any loss, claim or liability of any kind whatsoever arising from or growing out of any harm, injury, or damage caused by such Unit Owner's pet. Without limiting the generality of Section 18 hereof, violation of the provisions of this paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners (as provided in any applicable rules and regulations) and/or to require any pet to be permanently removed from the Condominium Property upon three (3) days' notice.

\$17.4 Alterations. Without limiting the generality of Section 9.1 hereof, no Unit Owner shall cause or allow improvements or changes to any Unit, Limited Common Elements appurtenant thereto or Common Elements, including but not limited to, painting or other decorating of any nature, installing any electrical wiring, television antennae, machinery or air-conditioning units or in any manner changing the appearance of any portion of the Building, without obtaining the prior written consent of the Association (in the manner specified in Section 9.1 hereof).

\$17.5 Use of Common Elements. The Common Elements shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

\$17.6 Nuisances. No nuisances (as defined by the Association) shall be allowed on the Condominium Property, nor shall any use or practice be allowed which is a source of annoyance to residents or occupants of Units or which interferes with the peaceful possession or proper use of the Condominium Property by its residents or occupants.

\$17.7 No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Condominium Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover relating to any portion of the Condominium Property, shall be corrected by and at the sole expense of the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth.

\$17.8 Leases. No portion of a Unit (other than an entire Unit) may be

rented. All leases shall be on forms approved by the Association and shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles and By-Laws of the Association, applicable rules and regulations or other applicable provisions of any agreement, document or instrument governing the Condominium or administered by the Association. Leasing of Units shall also be subject to the prior written approval of the Association and the Association may reject the leasing of any Unit on any grounds the Association elects. Unit Owners wishing to lease their Units shall be required to place in escrow with the Association a sum to be determined by the Association which may be used by the Association to repair any damage to the Common Elements resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). The Unit Owner will be jointly and severally liable with the tenant to the Association for any amount in excess of such sum which is required by the Association to effect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant. Any balance remaining in the escrow account, less an administrative charge determined by the Association, shall be returned to the Unit Owner within ninety (90) days after the tenant and all subsequent tenants permanently move out. All leases shall also comply with and be subject to the provisions of Section 18 hereof.

- §17.9 Exterior Improvements, Landscaping. Without limiting the generality of Section 9.1 or Section 17.4 hereof, no Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, balconies or windows of the Building (including, but not limited to, awnings, signs, storm shutters, screens, furniture, fixtures and equipment), nor to plant or grow any type of shrubbery, flower, tree, vine, grass or other plant life outside his Unit, without the prior written consent of the Association.
- §17.10 Effect on Developer, Association. The restrictions and limitations set forth in this Section 17 shall not apply to the Developer or to Units owned by the Developer unless the Rules of the Florida Department of Business Regulation require otherwise. The Association shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 17 for good cause shown.
18. Selling, Leasing and Mortgaging of Units. No Unit Owner other than the Developer may sell or lease his Unit except by complying with the following provisions:
- §18.1 Right of First Refusal. Any Unit Owner who receives a bona fide offer to purchase or lease his Unit (such offer to purchase or lease a Unit, as the case may be, is called an "Outside Offer" the party making any such Outside Offer is called an "Outside Offeror" and the Unit Owner to whom the Outside Offer is made is called an "Offeree Unit Owner"), which he intends to accept shall give notice by registered mail to the Board of Directors of the receipt of such Outside Offer. Said Notice shall also state the name and address of the Outside Offeror, the terms of the proposed transaction and such other information as the Board of Directors may reasonably require. The giving of such notice to the Board of Directors shall constitute an offer by such Unit Owner to sell his Unit or to lease his Unit to the Association or its designee upon the same terms and conditions as contained in such Outside Offer and shall also constitute a Warranty and representation by the Unit Owner who has received such Outside Offer to the Association that such Unit Owner believes the Outside Offer to be bona fide in all respects. The Offeree Unit Owner shall submit in writing such further information with respect thereto as the Board of Directors may reasonably request. Not later than twenty (20) days after

receipt of such notice, together with such further information as may have been requested, the Association or its designee may elect, by sending written notice to such Offeree Unit Owner before the expiration of said twenty (20) day period, by certified mail, to purchase such Unit or to lease such Unit as the case may be, upon the same terms and conditions as contained in the Outside Offer and as stated in the notice from the Offeree Unit Owner. In the event the Association shall timely elect to purchase such Unit or to lease such unit, or to cause the same to be purchased or leased by its designee, title shall close or a lease shall be executed at the office of the attorneys for the Association, in accordance with the terms of the Outside Offer, within forty-five (45) days after the giving of notice by the Association of its election to accept such offer. If, pursuant to such Outside Offeror was to assume or take title to the Unit subject to the Offeree Unit Owner's existing mortgage or mortgages, the Association may purchase the Unit and assume or take title to the Unit subject to said existing mortgage or mortgages, as the case may be. At the closing, the Offeree Unit Owner, if such Unit is to be sold, shall convey the same to the Association, or to its designee, by statutory warranty deed, with all tax and/or documentary stamps affixed at the expense of such Unit Owner, who shall also pay all other taxes arising out of such sale. Title shall be good and marketable and insurable and the Offeree Unit Owner shall deliver an abstract or provide a title binder (and subsequently, title insurance) at its expense at least thirty (30) days prior to such closing. Real estate taxes, mortgage interest, if any, and Common Expenses shall be apportioned between the Offeree Unit and the Association, or its designee, as of the closing date. In the event such Unit is to be leased, the Offeree Unit Owner shall execute and deliver to the Board of Directors or to its designee, a lease between the Offeree Unit Owner, as landlord, and the Association, or its designee, as tenant, covering such Unit, for the rental and term contained in such Outside Offer.

In the event the Association or its designee shall fail to accept such offer or, in the case of a lease, shall fail to reject the proposed lease as permitted by Section 17.8 hereof, within twenty (20) days after receipt of notice and all additional information requested, as aforesaid the Offeree Unit Owner shall be free to accept the Outside Offer within sixty (60) days after (i) notice of refusal is given by the Association or (ii) the expiration of the period in which the Association or its designee might have accepted such offer, as the case may be. In the event the Offeree Unit Owner shall not, within such sixty (60) day period, accept, in writing, the Outside Offer or if the Offeree Unit Owner shall accept the Outside Offer within such sixty (60) day period but such sale or lease, as the case may be, shall not be consummated in accordance with the terms of such Outside Offer or within a reasonable time after the date set for closing thereunder, then, should such Offeree Unit Owner thereafter elect to sell such Unit or to lease such Unit, as the case may be, the Offeree Unit Owner shall be required to again comply with all of the terms and provisions of this Section.

Any deed or lease to an Outside Offeror shall provide (or shall be deemed to provide) that the acceptance thereof by the grantee or tenant shall constitute an assumption of the provisions of the Declaration, the By-Laws, the Articles, applicable rules and regulations and all other agreements, documents or instruments affecting the Condominium Property or administered by the Association, as the same may be amended from time to time.

Any lease executed in connection with the acceptance of any Outside Offer to lease a Unit shall be consistent herewith and with the By-Laws and rules and regulations and shall provide specifically that (i) it may not be modified, amended, extended or assigned without the prior consent in writing of the Board of

Directors, (ii) the tenant shall not assign his interest in such lease or sublet the demised premises or any part thereof without the prior consent in writing of the Board of Directors, and (iii) the Board of Directors shall have the power, but shall not be obligated, to terminate such lease and/or to bring summary proceedings to evict the tenant in the name of the landlord thereunder, in the event of (a) a default by the tenant in the performance of its obligations to comply with the documents described in the preceding unnumbered paragraph under such lease, or (b) a foreclosure of the lien granted under the Act. Such lease shall also comply with the provisions of Section 17.8 hereof.

Except as hereinbefore set forth, the form of any such lease executed by the Association or an Outside Offeror shall contain such other modifications as shall be approved in writing by the Board of Directors. Any lease executed by the Association as tenant shall provide that the Association may enter into a sublease of the premises without the consent of the landlord.

Any purported sale or lease of a Unit in violation of this Section shall be voidable at any time at the election of the Association and if the Board of Directors shall be so elect, the Unit Owner shall be deemed to have authorized and empowered the Association to institute legal proceedings to evict the purported tenant (in case of an unauthorized leasing), in the name of said Unit Owner as the purported landlord. Said Unit Owner shall reimburse the Association for all expenses (including attorney's fees and disbursements) incurred in connection with such proceedings.

The foregoing restrictions shall not apply to Units owned by or leased to the Developer or by or to any Institutional First Mortgagee acquiring title by foreclosure or by a deed in lieu of foreclosure. The Developer and such Institutional First Mortgagees shall have the right to sell, lease or sublease Units they own or lease without having to first offer the same for sale or lease to the Association.

- §18.2 Consent of Unit Owners to Purchase or Lease of Units by the Association. The Association shall not exercise any option hereinabove set forth to purchase or lease any Unit without the prior approval of Owners of a majority of the voting interests present in person or by proxy and voting at a meeting at which a quorum has been obtained.
- §18.3 No Severance of Ownership. Except as elsewhere herein provided, no part of the Common Elements may be sold, conveyed or otherwise disposed of, except as an appurtenance to the Unit in connection with a sale, conveyance or other disposition of the Unit to which such interest is appurtenant, and any sale, conveyance or other disposition of a Unit shall be deemed to include that Unit's appurtenant interest in the Common Elements.
- §18.4 Release by the Association of the Right of First Refusal. The right of first refusal contained in Section 18.1 may be released or waived by the Association only in the manner provided in Section 18.5. In the event the Association shall release or waive its right of first refusal as to any Unit, such Unit may be sold, conveyed or leased free and clear of the provisions of said Section 18.1.
- §18.5 Certificate of Termination of Right of First Refusal. A certificate executed and acknowledged by an officer of the Association stating that the provisions of Section 18.1 have been satisfied by a Unit Owner, or stating that the right of first refusal contained therein has been duly released or waived by the Association and that, as a result thereof, the rights of the Association thereunder have terminated. The certificate shall be conclusive with respect to all persons who rely on such certificate in good faith. The Board of Directors shall furnish such

In addition, the Association shall have the right, for itself and its employees and agents, to enter the Unit and perform the necessary work to enforce compliance with the above provisions (by force, if necessary), without having committed a trespass or incurred any other liability to the Unit Owner.

- §19.3 Costs and Attorneys' Fees.** In any proceeding arising because of an alleged failure of a Unit Owner or the Association to comply with the requirements of the Act, this Declaration, the exhibits annexed hereto or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonably attorneys' fees (including appellate attorneys' fees) as may be awarded by the court.
- §19.4 No Waiver of Rights.** The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provisions of the Act, this Declaration and the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, shall not constitute a waiver of their right to do so thereafter.
20. **Merger of Condominium.** The Condominium may be merged with one or more condominiums within the Development to form a single condominium upon (i) the approval of such voting interests of each condominium as is required by the declaration for modifying the appurtenances to the Units or changing the proportion of percentages by which the owners of the Condominium share the Common Expenses and own the Common Surplus, (ii) the approval of all of the Institutional First Mortgagees and of all record Owners of liens and (iii) upon the recording of new or amended Articles of Incorporation, Declaration(s) of Condominium and By-Laws.
21. **Termination of Condominium.** The condominium shall continue until (i) terminated by casualty loss, condemnation or eminent domain, as more particularly provided in this Declaration, or (ii) such time as withdrawal of the Condominium Property from the provisions of the Act is authorized by a vote of Owners owning at least eighty (80%) percent of the applicable interests in the Common Elements (after twenty (20%) percent of the Units have been sold to Unit Owners other than the Developer, the Developer will not vote the Units owned by it for such withdrawal unless the Owners of at least eighty (80%) percent of all other applicable interests in the Common Elements so elect for such withdrawal, at which time Developer may choose to vote either in favor of or against withdrawal from Condominium ownership, as it sees fit), and by the Primary Institutional First Mortgagee. In the event such withdrawal is authorized as aforesaid, the Condominium Property shall be subject to an action for partition by any Unit Owner, mortgagee or lienor as if owned in common in which event the net proceeds of sale shall be divided among all Unit Owners in proportion to their respective interest in the Common Elements, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such net proceeds all mortgages and liens of his Unit in the order of their priority. The termination of the Condominium, as aforesaid, shall be evidenced by a certificate of the Association executed by its President and Secretary, certifying as to

the basis of the termination and said certificate shall be recorded among the Public Records of the County. This section may not be amended without the consent of all Institutional First Mortgagees and the Developer so long as it owns any Unit.

22. Additional Rights of Institutional First Mortgagees. In addition to all other rights herein set forth, Institutional First Mortgagees shall have the right, upon written request to the Association, to:

- \$22.1 Examine the Association's books and records; and require copies of the annual reports and other financial data;
- \$22.2 Receive notice of Association meetings and attend such meetings;
- \$22.3 Receive notice of an alleged default by any Unit Owner, for whom such Institutional First Mortgagee holds a mortgage, which is not cured within thirty (30) days of notice of default to such Unit Owner; and
- \$22.4 Receive notice of any substantial damage or loss to any portion of the Condominium Property.

23. Reservation of Right to Own, Install, Provide and Maintain a Closed Circuit Television System, Telecommunications System, a Master Antennae System and Community Antennae Television System (CATV Service).

\$23.1. Developer reserves and retains to itself, its successors and assigns: (i) the title to any closed circuit television system, telecommunications system, master antennae system, and related ancillary services and to the equipment including but not limited to conduits, wires, amplifiers, towers, antennae and related apparatus and electronic equipment both active and passive (the "Central System") in and upon the Condominium Property and an easement for 99 years for the placement and location of the Central System including, but not limited to conduits, wires, amplifiers, towers, antennae and related apparatus and electronic equipment, both active and passive, and (ii) an easement for 99 years for ingress to and egress from the Condominium Property to service, maintain, install, repair and replace the aforesaid apparatus and equipment; and (iii) the right to connect the Central System to such receiving source as Developer may in its sole discretion deem appropriate, including, without limitation, companies licensed to provide the CATV Service in the County, for which service Developer, its successors and assigns or designees shall have the right to charge the Association and/or individual Unit Owners a reasonable fee not to exceed the maximum allowable charge for CATV Service to single family residences as charged within the general vicinity.

\$23.2. The Unit Owners acknowledge that the Central System described in Section 23.1 above, includes but is not limited to the CATV Service as well as the ancillary services which may include security; medical, smoke and fire alert; information retrieval and so forth. Such Central System is offered as part of Developer's endeavor to provide a total environment to the Unit Owners and enhance the "way-of-life" at the Development.

24. Conveyance of Common Areas by Developer to the Property Owners Association. As presently planned, the Development which the Developer plans to construct upon the Princeton Place at Wiggins Bay Lands will be a condominium community. Certain portions of the Princeton Place at Wiggins Bay Lands will, from time to time, be set aside and designated for automobile parking areas, landscaped areas, interior private roads and pedestrian walkways for the common use and benefit of all Unit Owners in the Development.

The Property Owners Association shall assign one (1) parking space to each Unit Owner in the Condominium upon those portions of the Princeton Place at Wiggins Bay Lands designated and set aside as automobile

parking areas.

Upon closing of title to the first Unit in the Condominium, Developer shall convey title to the land so designated and set aside for the above described purposes to the Property Owners Association.

25. Covenant Running With The Land. All provisions of this Declaration, the Articles, By-Laws and applicable rules and regulations of the Association shall, to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the Land and with every part thereof and interest therein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the Developer and subsequent owner(s) of the Land or any part thereof, or interest therein, and their respective heirs, personal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All present and future Unit Owners, tenants and occupants of Units, shall be subject to and shall comply with the provisions of this Declaration and such Articles, By-Laws and applicable rules and regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease, or the entering into occupancy of any Unit, shall constitute an adoption and ratification of the provisions of this Declaration and the Articles, By-Laws and applicable rules and regulations of the Association, as they may be amended from time to time by such Unit Owner, tenant or occupant.

26. Architectural Control and Maintenance Standards Committee.

§26.1 Establishment of Committee and Acceptance by Unit Owners. The Condominium created by this Declaration is part and parcel of the Development, a multi-staged residential development. Each Unit Owner, by virtue of his acceptance of a Warranty Deed, acknowledges the necessity of maintaining the physical appearance and image of the entire Development as a quality residential community and additionally, that the success of the Developer in developing and selling the remaining portions of the Development is closely related to the physical appearance and image of the completed portions of the Development.

Accordingly, there is established a Committee known as the "Architectural Control and Maintenance Standards Committee" for a period terminating either on the thirty-first day of December, 1995, or the date that the condominium association (and/or homeowners associations, if any, in the Development comes under the control of its Unit Owners by their election of that association's Board of Directors or earlier at the option of Developer, whichever shall first occur. The Committee shall be empowered to adopt and promulgate from time to time minimum standards for architectural control and maintenance of the physical appearance of the Common Elements, not only of this Condominium, but of all other Condominiums in the Development. Additionally, the Committee will adopt standards for the Common Areas.

§26.2 Members of Committee. The Committee shall consist of three (3) members designated by the Developer. Each member of the Committee shall be appointed by the Developer and shall hold office until such time as he has resigned or has been removed and his successor has been appointed by Developer. Members of the Committee may be removed at any time without cause by Developer. The membership may include building and landscape architects, contractors, subcontractors or other persons that the Developer may deem sufficiently qualified to render an opinion as to architectural standards and minimum standards of maintenance.

§26.3 Review of Proposed Construction. With respect to the Common Elements of this Condominium no Building, exterior wall or other

exterior structure shall be commenced, erected or maintained, nor shall any exterior painted surfaces be repainted, nor shall any exterior addition or change or alteration be made to the exterior of any Building, nor shall there be any material modification of the landscaping until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing, as to harmony of external design and color and location in relation to surrounding structures and topography, by the Committee. The Committee shall approve proposals or plans and specifications only if submitted for its approval by the Association and only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the entire Development, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures. The Committee may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Committee may also issue rules or guidelines setting forth procedures for the submissions of plans for approval. The Committee may require such detail in plans and specifications submitted for its review as it deems proper, including without limitations, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Committee of any required plans and specifications the Committee may postpone review of any plans submitted for approval. Notwithstanding any provision of this Section 26.3, approval of the Committee shall not be required with respect to original construction performed or caused to be performed by the Developer. In the event the Association proceeds with improvements without submitting plans to the Committee or submits plans to the Committee and proceeds without the approval of the Committee, the Committee shall have the right but not the duty to take such action as is set forth in Section 26.6 and any other remedies as may be prescribed by law.

§26.4 Maintenance and Repair Obligations. In the event any improvements to the Common Elements fall into disrepair or are not maintained so as to create a dangerous, unsafe, unsightly or unattractive condition, or otherwise violate this Declaration, the Committee has the right, but not the duty, to take such action as is set forth in Section 26.6 and any other remedies prescribed by law. The obligations to maintain shall include but not be limited to exterior paint on any Building, landscaping, paving, trash removal, repair of exterior building surfaces and vending machine maintenance.

§26.5 Inspection. The Committee shall have the right to inspect from time to time the Common Elements of the Condominium in order to determine whether the maintenance of same meet the minimum standards and any improvements constructed thereon meet the architectural standards.

§26.6 Remedies in the Event of Non-Compliance. If the Committee shall find that the Common Elements are not being maintained in accordance with the minimum maintenance standards, or improvements to the Common Elements are not in compliance with the architectural standards of the Committee, the Committee shall issue a report to the Developer particularizing the deficiencies and the Developer shall thereafter submit the report to the Board of the Association. Within thirty (30) days of receipt of the report, the Association shall commence with the repair, maintenance or restoration specified in the report and diligently pursue completion of same in an expeditious manner. The cost of all work shall be the responsibility of the Association and shall be a Common Expense of the Condominium.

Each Unit Owner and the Association do hereby authorize and vest

in the Developer the following powers should the Association fail or refuse to commence and complete maintenance, repair or restoration required by the report of the Committee:

(a) The Developer may let out for bid the work required by the report of the Committee, negotiate and accept bids and authorize contractors or subcontractors to enter upon the Common Elements of the Condominium for the purpose of performing the specified work in which case the Developer shall be acting as the agent for the Association and the Unit Owners and the entrance upon the Common Elements of those performing the work shall be a lawful entry and shall not be deemed a trespass. Developer shall have the right to pay the contractors or subcontractors performing the work and the Developer is authorized in its own name to record a lien against the Condominium among the Public Records of the County, in the amount of the cost of said work that the Developer has expended which lien shall be deemed a lien against the Common Elements and Units of the Condominium for which the work was performed, which lien shall remain in effect until such time as it is satisfied of record by the payment to the Developer of the monies expended by it together with interest at the rate of eighteen (18%) percent per annum from the date of the expenditure. The recordation of the lien is hereby deemed to constitute constructive notice to third parties of the existence of the lien and all sales, mortgages or other transfers or conveyances subsequent to the recording date shall be subject to the lien of the Developer. Each Unit Owner and the Association give and grant unto the Developer the power to foreclose its lien in the event that it remains unpaid and agree that the procedures to be utilized in said foreclosure proceeding shall be those set forth in the Statutes of the State of Florida relating to the foreclosure of a mechanic's lien and any and all defenses or right to contest are hereby waived.

(b) Alternatively, upon receiving the bids of contractors and subcontractors for the work required to be done by the report of the Committee, Developer may elect not to cause said work to be done, and notwithstanding what, to record the lien prescribed above in the amount of the bids of contractors and subcontractors for the work set forth in the Committee report. Upon payment of the lien to the Developer, the Developer shall then cause the work to be performed and to pay the contractors and subcontractors performing the work from the proceeds satisfying the lien. Upon payment of the contractors and subcontractors, Developer shall render to the Association a report setting forth to whom and what amounts the funds were disbursed. The lien herein prescribed shall have the same priority upon recordation and shall be foreclosed in the same manner as that set forth in Section 26.6(a).

The report of the Committee shall be conclusive as to the nature of the work required to be done and the bids accepted by Developer shall be conclusive as to price.

\$26.7 Limited Common Elements. The phrase "Common Elements" wherever it appears in this Section 26 shall be deemed to include the phrase "Limited Common Elements".

27. Additional Provisions.

\$27.1 Notices. All notices to the Association required or desired hereunder or under the By-Laws of the Association shall be sent by certified mail (return receipt requested) to the Association care of its office at the Condominium, or to such other address as the Association may hereafter designate from time to time by notice in writing to all Unit Owners. Except as provided specifically in

All notices to mortgagees of Units shall be sent by first class mail to their respective addresses, or such other address as may be designated by them from time to time, in writing to the Association. All notices shall be deemed to have been given when mailed in a postage-prepaid, sealed wrapper, except notice of a change of address, which shall be deemed to have been given when received, or five (5) business days after proper mailing, whichever shall first occur.

- \$27.2 Interpretation. The Board of Directors of the Association shall be responsible for interpreting the provisions hereof and of any of the Exhibits attached hereto. Such interpretation shall be binding upon all parties unless wholly unreasonable. An opinion of counsel that any interpretation adopted by the Association is not unreasonable shall conclusively establish the validity of such interpretation.
- \$27.3 Mortgages. The Association shall not be responsible to any mortgagee or lienor of any Unit hereunder and may assume the Unit is free of any such mortgages or liens, unless written notice of the existence of such mortgage or lien is received by the Association.
- \$27.4 Exhibits. There is hereby incorporated in this Declaration any materials contained in the Exhibits annexed hereto which under the Act are required to be part of the Declaration.
- \$27.5 Signature of President and Secretary. Wherever the signature of the President of the Association is required hereunder, the signature of a Vice-President may be substituted therefor, and wherever the signature of the Secretary of the Association is required hereunder, the signature of an Assistant Secretary may be substituted therefor, provided that the same person may not execute any single instrument on behalf of the Association in two separate capacities.
- \$27.6 Governing Law. Should any dispute or litigation arise between any of the parties whose rights or duties are affected or determined by this Declaration, the Exhibits annexed hereto or applicable Rules and Regulations adopted pursuant to such documents, as the same may be amended from time to time, said dispute or litigation shall be governed by the laws of the State of Florida.
- \$27.7 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association in its own name and/or on behalf of the Unit Owners unless same is approved by a vote of seventy-five percent (75%) of the voting interests of all of the Unit Owners. This Section shall not apply, however, to (i) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (ii) proceedings, or (iii) counterclaims brought by the Association in proceedings instituted against it. Notwithstanding the provisions of Section 6 of this Declaration, this Section shall not be amended unless such amendment is approved by the percentage of votes necessary to institute proceedings as provided above.
- \$27.8 Construction Litigation. All Units and their appurtenant Common Elements have been or will be sold without any Developer's warranties whatsoever except as provided in the Act (to the extent such warranties are not effectively disclaimed and remain in effect, if at all). As to such warranties, if any, and as to any claim arising from or connected with the design or construction of any Unit(s) or the Common Elements including, without limitation, claims alleging negligent construction, failure to build in

accordance with any particular plans or specifications or failure to comply with building or other codes, laws, ordinances or regulations (collectively, "Construction Matters"), it shall be a material condition precedent to the institution of any proceeding regarding Construction Matters that (i) the party or parties bringing same shall have first given notice to the Developer or other party against whom which relief or recovery is sought (the "Defendant") of the specific Construction Matters complained of and what actions are necessary to cure or correct same and (ii) the Defendant shall have given at least forty-five (45) days (subject to extension by reason of matters beyond the control of the Defendant or because of the nature of the applicable Construction Matter(s) and the time necessary to cure or correct same) in which to cure or correct the applicable Construction Matter(s) and shall have materially failed to do so. If any Construction Matter is not cured or corrected as aforesaid, all applicable parties shall be bound to submit the disputes or claims regarding the Construction Matters at issue solely to binding arbitration in accordance with the Florida Arbitration Code and the rules of the American Arbitration Association and the parties and their successors and assigns shall be bound by the results of such arbitration. Without limiting the general binding effect of this Declaration, each Owner and other person acquiring any right, title or interest in or to any Unit shall be deemed, by virtue of the acceptance of the conveyance, grant, transfer or assignment thereof, to be fully bound by the provisions of this Section 26.8 and of Section 26.7 above, as shall the Association.

- 527.10 Waiver. No provisions contained in this Declaration shall be deemed to have been waived by reason of any failure to enforce the same, without regard to the number of violations or breaches which may occur.
- 527.11 Ratification. Each Unit Owner, by reason of having acquired ownership (whether by purchase, gift, operation of law or otherwise), and each occupant of a Unit, by reason of his occupancy, shall be deemed to have acknowledged and agreed that all of the provisions of this Declaration, and the Articles and By-Laws of the Association, and applicable rules and regulations, are fair and reasonable in all material respects.
